Longmeadow Newsletter

Science week

Last week was Science week and the children have been taking part in lots of science activities. Thank you to all the parents who helped the children with their Show and Tell Science homework. They were fantastic and the children had a super time showing and talking about their experiments.

All week children took part in investigations, thinking about, evaluating and changing activities and discussing results.

What a fun week with lots of learning. Well done everyone!-

- ☺ Recommended Phone apps - School Gateway & School News

CHICKS

The Reception Classes recently had the opportunity of watching chicks hatch and the responsibility for looking after them. From the moment the eggs arrived in school the children were waiting in eager anticipation for them to hatch.

Once the chicks started to peck their way out of the eggs the Reception Classes had numerous visits from other classes who were also eager to see the newly hatched arrivals. The children all love these real life experiences and gain a wealth of learning from them.

Dates for your diary

Return to School

16 April

Knebworth v Longmeadow (Away)

CRICKET

On Tuesday's the children in year 1, 2 & 3 have been practising and improving their cricket skills with "Chance to Shine"

PARKING

We have been informed by local residents that parents have been parking inconsiderately at drop off and pick up times in the areas surrounding the school, particularly Elbow Lane.

Could we please ask that you use common sense and consideration when parking in the roads surrounding the school and remember that these are residential areas.

If you do need to drive to school because you have an onward journey please make use of the car park at the Oaks Cross shops.

PREMISES HIRE

If you know of anyone who is looking to hire premises / school field etc please ask them to contact us either by phone or email.

Our phone number is 01438 351087 / email:

hire@longmeadow.herts.sch.uk

ATTENDANCE CONSULTATIONS

Thank you to everyone who booked and attended the sessions this week. There was a very positive outcome to the meetings and we are pleased so many attended.

We will be offering these sessions each month going forward. These consultations are for any parents who would like to come and discuss their child's attendance, receive advice and help with any attendance issues. E.g planning to take a holiday and want to know how it will affect your child's attendance. You can book a session via Gateway from April.

SAFER INTERNET DAY 2018

Safer Internet Day 2018 was celebrated globally on **Tuesday 6th February 2018** with the slogan

"Create, Connect and Share Respect: A better internet starts with you".

Miss Holton and Mr Gray discussed e safety with the Safety reps, they talked about the importance of keeping safe online, using the correct settings if using social media and who they can talk to if they don't like what they see online.
