Longmeadow Primary School - Oaks Cross - Stevenage - SG2 8LT

Dear Parents/Carers

As many of you are aware usually our Christmas Fayre is an annual event held at the school for all the community to enjoy. The Christmas Fayre will take place on **Friday 3rd December 2021**, and this year it'll run slightly different to previous years due to the COVID-19 restrictions. We understand that these may be lifted or different by this date, however, the event needs to be planned in advance and we will proceed as best we possibly can to ensure the children don't miss out. The Fayre will be open to all children in the school, we aren't able to invite in parents/carers, but we will make it fun and enjoyable for the children. We will also take lots of photos and videos to share with you all on Facebook and Instagram so you're able to enjoy the fun from home too! The children will visit the Fayre in their class groups and will have time slots to enjoy the fun activities.

Children are permitted to bring in up to £10 to spend at the Fayre. This is to be brought in a named envelope and needs to come in on the day of the Fayre. Please ensure, where possible, the money is in change rather than notes. Children will have their own bag to bring all their goodies home in.

We are having a Christmas raffle. You can buy your tickets on Gateway, £1 each. We draw the raffle on Friday 3<sup>rd</sup> December. If you or your child wins they will bring the prize home with them on the day. Our top prize is a laptop! Second prize is £50 cash, we then also have family hampers plus many more prizes! Tickets are on sale now on Gateway under payments and you can buy as many as you like, you have got to be in it to win it! Good luck everyone!

Updates on our events, photos and videos are always on our Facebook page 'Friends of Longmeadow Primary' please Like our page to keep updated or to contact us.

Thank you in advance for your support. We are looking forward to being able to give the children so much deserved fun at this festive time.
