4. Key sources of evidence – what is the evidence and rationale for our sports premium spending?

Source	Summary of evidence – what it tells us
i. PE and sport premium: an investigation in primary schools	<p>The most common uses for the PE and sport premium which could evidence impact were to:</p> <ul style="list-style-type: none"> • up-skill and train existing staff • buy new equipment • provide more extra-curricular activities • employ new sports coaches

	Department for Education – November 2015	<ul style="list-style-type: none"> introduce new sports in both curricular PE and extra-curricular sport
ii.	Effective Use of the PE & Sport Premium Association for Physical Education – Summer 2013	Identifies key strategies for sports premium spending which have most impact: <ul style="list-style-type: none"> paying for professional development opportunities in physical education and sport buying quality assured professional development modules or materials for physical education and sport hiring specialist physical education teachers to work alongside primary teachers when teaching physical education
iii.	How to spend the PE & Sport Premium Funding Somerset Sports Partnership	Identifies key strategies for sports premium spending which have most impact: <ul style="list-style-type: none"> engagement of all pupils in regular physical activity - kick starting healthy active lifestyles increased participation in competitive sport the profile of PE and sport being raised across the school as a tool for whole school improvement broader experience of a range of sports and activities offered to all pupils increased confidence, knowledge and skills of all staff in teaching PE and sport
iv.	PE and sport premium for primary schools www.gov.uk – updated 28 July 2017	<p>Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. This means that you should use the premium to:</p> <ul style="list-style-type: none"> develop or add to the PE and sport activities that your school already offers make improvements now that will benefit pupils joining the school in future years <p>For example, you can use your funding to:</p> <ul style="list-style-type: none"> hire qualified sports coaches to work with teachers provide existing staff with training or resources to help them teach PE and sport more effectively <i>introduce new sports or activities and encourage more pupils to take up sport</i> <i>support and involve the least active pupils by running or extending school sports clubs, holiday clubs and Change4Life clubs</i> run sport competitions increase pupils' participation in the School Games <i>run sports activities with other schools</i> <p>You should not use your funding to:</p> <ul style="list-style-type: none"> employ coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements - these should come out of your core staffing budgets teach the minimum requirements of the national curriculum - including those specified for swimming (or, in the case of academies and free schools, to teach your existing PE curriculum)

Total Spending: £20,500

Longmeadow Primary School places a high emphasis on sport and spends over its Sports Premium Allocation. This is due to pupil and parental voice stating this as something they value at the school. Strong PE provision ensures that the money has a good impact and so the school will continue to allocate money to this area while budgets permit.
