

Year Two Weekly Communication Flyer

Mr Gray and Miss Clements

WEEK ENDING: 19.10.18

In Maths we have been learning to:

- Identify and name 2D shapes and describe their features
- Identify lines of symmetry and draw symmetrical shapes.

In English we have been learning to:

- Name features of a story
- Order the main events of a story
- Write sentences with expanded noun phrases

Important Messages:

Thank you to all of our parents that made a donation towards our WOW day. The children really enjoyed making and drinking their fruit smoothies and creating fruit sculptures. Thank you too for the baby photographs that you provided. The children loved looking at how you have all changed.

As the weather is getting colder and wetter the children will only be allowed on the mud in our Year 2 garden if they have wellies.

Also, if you have not yet paid for the Year 2 school trip on Monday 5th of November, please do so via the school gateway.

We hope you have a lovely weekend.

Our topic this half term is:

Healthy Humans

The children really enjoyed our Healthy Humans WOW day. They got to make fruit smoothies, fruit sculptures and practised cleaning their teeth – properly! **A big thank you to Mr Laurence who came in to school to talk to us about his martial art Qi Kwan Do.**

This week's homework is:

Topic:

Design and make a fruit sculpture.

Spellings:

Please continue to learn your spellings.
