November 2018

Dear Parents / Carers

Your child is due to start swimming next term.

Year 4 Swimming lessons start on Tuesday 15th January 2019.

There will be 12 lessons, ending on Tuesday 2nd April. The cost will be £4.15 per week or £49.80 for the term this includes transport and insurance.

Please make your payment via Gateway.

As you are aware the inclusion of swimming on the timetable depends on parental contributions. Legislation states that if swimming forms part of our school timetable then everyone should attend, unless there is a medical problem. Obviously, if contributions from parents are insufficient we will need to review our swimming provision. However, I do hope that this will not be the case.

Please note that it is imperative that payments are made. The school cannot afford to support non-paying pupils.

Yours sincerely,

Mrs E Howley
Head Teacher
