

Reception Weekly Communication Flyer

Miss Holton and Miss Oldfield

WEEK ENDING: 23/11/2018

In Maths, we have been learning to:

Identify 3d shapes.
Describe properties of 3d shapes (faces and vertices)
Sort 3d shapes
Find them in our classroom

In Literacy, we have been learning to:

Label Foods
Talk about healthy and non-healthy foods
Discuss ways of keeping healthy

Important Messages:

We have had great fun learning about food!

We would love your help with our next Role Play and learning - we would like to learn about Christmas and make a Christmas Role Play.

If you have any *spare decorations* that we could put up we would be very grateful ☺

Dates:

Christmas Fayre - 30th November

Early Years Christmas Performance - 6th December

Inset Day - 7th December

End of Term - 21st December

Our topic:

The children have decided that they would like to learn about the Nativity which is linked to our Christmas Performance. We will also look at Christmas and other traditions too.

This week's homework is:

Create a Christmas jar for the Christmas Fayre.
Decorate and fill with goodies by Thursday 29th.
