

# Year One Weekly Communication Flyer

Mrs Easton and Miss Pateman

**WEEK ENDING: 23<sup>rd</sup> November 2018**

In Maths we have been learning to:

Recognise and understand the value of coins. We have enjoyed counting with real and pretend money, discussing how to make an amount and what each penny looks like.

We then created a role play book shop where we played the roles of customers and shop keepers.

In English we have been learning to:

Create our own non-fiction seasons books.  
We have thoroughly enjoyed creating our very own seasons book, making a contents page, weather page, a title page and writing lots of lovely sentences about our season.

Our topic this half term is:

'Seasons'

We have been creating our own weather charts, thoroughly enjoying the frost in the week!

We have also created our own seasonal picture, looking at the different trees in winter, spring, autumn and summer.

This week's homework is:

To decorate a jar for the tombola at next week's Christmas Fayre. A prize for the best jar will be announced next week. Please remember to name your jar.

Important Messages:

We have started to practice for our Christmas performance 'Humph the Camel'. We will let you know information regarding costumes, songs etc very soon!

Please continue to practice your spellings at home with your child, the children did really well on their spelling quiz!

Please also ensure you are reading at home with your child, any concerns or questions contact your teachers at the end of the day.
