

# Year Two Weekly Communication Flyer

Mr Gray and Miss Clements

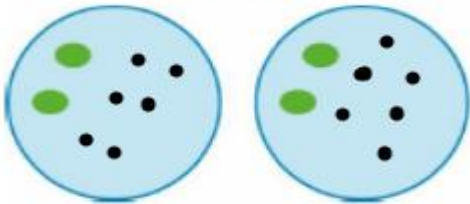

## WEEK ENDING: 30.11.18

In Maths we have been learning about:

### Division

We learned how to share equally through sharing circles:

$$16 \div 2 =$$

Then we solved **word problems** using these methods.

In English we have been writing:

Expanded noun phrases to describe a character.

Sentences using a range of punctuation – questions, statements, commands and exclamatory.

Sentences with conjunctions to link and extend our ideas.

Diary entries from a character's perspective.

### Important Messages:

Year 2 Christmas Performance:

Wednesday 12<sup>th</sup> December

2pm – 3pm

6pm – 7pm

Thursday 13<sup>th</sup> December

2pm – 3pm

6pm – 7pm

Scripts will be going home with children next week, please practice these with your child.

### Mighty Materials

We introduced our new topic **Mighty Materials** to the children this week. They thought about what they already know and what they would like to find out. Joe wanted to know 'What are my clothes made out of?' We looked at the label and discovered that his jumper was 20% cotton and 20% polyester. Why not look at the label on your clothes to find out what they are made from?

### This week's homework is:

#### **Reading:**

Please continue to read a little every day. Remember ... *The more you read the more things you know. The more that you learn the more places you'll go.* – Dr Seuss

#### **Maths**

We are continuing our learning about multiplication by completing the 5 or 3 times table.

### **This Week's Top Tip**

When reading at home, use the pictures to look for clues in the text:
