

# Year One Weekly Communication Flyer

Mrs Easton and Miss Pateman

**WEEK ENDING: 30<sup>th</sup> November 2018**

In Maths we have been learning to:

Count in two's, five's and ten's when counting with money. The children have thoroughly enjoyed being at the class bookshop, where they counted out the money and gave it to the shopkeeper.

In CLIC maths we have been working on counting to 100 forwards and backwards.

Can you count backwards from 40 with your child?

In English we have been learning to:

Re-tell key events from a story and recording them. We have been looking at a new story called 'we are going on a leaf hunt'.

Can you remember where the three friends travel to in the story?

How did they travel up the mountain?

How do they travel through the waterfall?

Our topic this half term is:

'Seasons'

We have been creating our own freeze frames, by learning about the weather in the seasons by taking pictures and dressing up. We have also been learning about the months in each season.

This week's homework is:

Complete the money worksheet (this should be in your child's bookbag).

Important Messages:

The children have been learning their new songs and dances for the Christmas performance 'Hump the camel'. Please speak to your teacher if you are unsure of your child's role and what to wear etc.

Please continue to practice your spellings at home with your child, the children did really well on their spelling quiz!

Please also ensure you are reading at home with your child, any concerns or questions contact your teachers at the end of the day.

Our Winter wonderland WOW day workshops will be taking place on wednesday 5<sup>th</sup> December. Please sign up on gateway if you haven't done so already. We are looking forward to seeing lots of you there!
