

# Year One Weekly Communication Flyer

Mrs Easton and Miss Pateman

## WEEK ENDING: 14<sup>th</sup> December 2018

### In Maths we have been learning to:

Add and subtract with Christmas images. We counted out the correct number of images then added them together using a number line. When using the number line we have been remembering to jump carefully to each number.

How many Christmas trees do you see on your way home?

### In English we have been learning to:

Blend and read simple words from our new story 'The elf chase'. We have been writing sentences about the different elves we found and describing them. We then created our own elves. Can you remember your elves name? What does he/she like to do?

### Our topic this half term is:

#### 'Seasons'

Next week we will be making a seasons calendar. Can you discuss with your children any important dates that happen in the year, e.g. birthdays and holidays.

### This week's homework is:

To draw a picture of your performance in the 'humph the camel' show.

Can you write some sentences about it?  
How did you feel?  
What did you have to do?

### Important Messages:

A big thank you to all of the parents/carers who came to watch the humph the camel performance. The children thoroughly enjoyed it and worked so hard!

This week the children have not had a spelling quiz as they have been so busy with the Christmas performance.

#### Reminder:

Next Friday 21<sup>st</sup> december is the last day of term. Please collect your child promptly by 2.15pm.
