Practical activities and ideas to do with your child at home:

Write tricky words/new sounds on the ground with chalk

Tricky word splat!

Robot talk - e.g. f-l-oa-t, blend to make float.

Playing games like 'how many words with the 'ea' sound can you read in a minute!

Word treasure hunt - hide some words around the house and they have to go and find them and bring them back and read them to you!

Using our sentence arm to say the whole sentence before writing it.

And just remember

Repetition, repetition, repetition!! The key is: interactive, fun, games which are REPETITIVE to help the children remember the new sounds in the words that they have learnt.
