

# Nursery Weekly Communication Flyer

Holly Kimble

**WEEK ENDING: 18.01.19**

In C.I.L we have been learning to:

- increase our fine motor skills using: play dough, pegs and boards and finger painting
- match number to quantity
- paint
- problem solve with the marble run

In our adult led sessions we have been:

- Sticky Kids song- Walking through the Jungle
- looked at non-fiction texts
- representing numbers with fingers and drawings
- Ice investigation

Important Messages:

Diary dates:

Half term- Monday 18<sup>th</sup> Friday 22<sup>nd</sup> February

Our topic this week has been:

## Winter

Please continue to ask your child about what they have been learning linked to our topic.

This week's homework is:

*Going on a number hunt. When you are out about, have a look around your environment. How many numbers can you see? Where are they?*
