

Year 5 Weekly Communication Flyer

Mr. Coomber, Mr. Amoros, Mrs. McQueen & Mrs. Flora

WEEK ENDING: 15th February 2019

In Maths we have been focusing on:

Leading into the half term we are finishing up our fraction work looking at taking our knowledge and applying it to word problems. Though they can be scary, students have taken to the task and have done well.

This week's homework is:

This week both classes will be creating a diary entry based on their three favourite days during the holidays. As well students will be re-visiting their fraction work showing their understanding of the topic

In English, we have been learning to:

In English, we are beginning to look at Spanish (Amber) and Canadian (Ruby) stories. In both classes, we have incorporated the importance of connecting pictures and text in comics. As well students have been creating totem poles based on their stories they have read or created.

Writing letters:

Amber class: We are finishing our replies and sending these out over the half term break.

Ruby class: With the changes in class students have finished their letters and will be sent out over half-term. We will hopefully see a reply by the 25th

Important Messages:

We wanted to thank you all for participating in our WOW day. The students were extremely proud of being able to make and serve pizza. Next WOW day we will give the most amount of notice to prepare all of the students and parents.

Following half term, we will be building totem poles based on the stories students have made. If possible we will be asking students to bring in the paper towel and toilet paper rolls as building materials. The more the merrier if possible. If you cannot bring some in it is not a worry!

Enjoy your half term break. Be safe and make sure you come back to school ready to participate and share all of your learning with the class.
