

Year 4 Weekly Communication Flyer

Miss Martin and Mr Martinez

WEEK ENDING: 7th March 2019

In Maths we have been focussing on:

Fractions. This week we have been looking at fractions. We have learnt how to find complements to one, we have added and subtracted with no regrouping and finished the week off with adding and subtracting with regrouping, keeping the denominator the same.

In English we have been learning to:

Use time adverbials, such as, firstly, next, after, lastly, finally. We have continued watching snippets of the film Rio and then completed different activities. Next week we will be starting to create our own story based on the film of Rio.

This week's homework is:

Create your own character that is captured from the rainforest.

Think about their personality, looks, appearance.

In PSHE we have been looking at:

Staying safe on the internet. This week we have been talking with the children about staying safe on the internet. The children have been very sensible and have talked about all the ways that they know they can stay safe when online.

Important Messages:

Thank you for making a fantastic effort on Thursday for World Book day. The children had great fun doing a series of activities across lower key stage two. They particularly enjoyed getting revenge on Miss Truchnhbull at the end of the day!

A quick reminder that our P.E day has now changed to a Monday, so children need to ensure they have their P.E kits in on a Monday.

A big well done to all those children that have been using Spelling Shed and Times Tables Rockstars. We have some top scorers in Year 4! Well done!
