

# Year Two Weekly Communication Flyer

Mr Gray and Ms Elmhirst

**WEEK ENDING: 8.3.19**

In Maths we have been:

- Fractions of a shape
- Fractions of a set
- Fractions of a length

In English we have been focusing on:

- Finding the similarities and differences between familiar stories.
- Dramatizing a familiar story.
- Writing about setting using our five senses.

Important Messages:

Just a friendly reminder that parents are not able to enter classrooms in the morning for safeguarding reasons; aside from Friday morning shared book time. If you need to book an appointment to speak to a teacher/TA please do so through the office. If you have any small daily messages, please feel free to pass these onto the staff that are at the gate in the mornings.

### **This Week's Top Tip**

Lots of stories that we are familiar with are also written from a different characters point of view. See if you can see how the story changes based on who is telling it.

### Home Grown

**Our new topic for this half term is Home Grown. We will be learning about plants and animals, and how they survive.**

This week's homework is:

#### **Reading:**

Please continue to read a little every day and support your children to learn their spellings.

#### **Maths:**

Talk about how we use fractions. Point out the fractions that we see on a daily basis.
