

Year 5 Communication Flyer

Mr Coomber Mr Amoros

WEEK ENDING: **[29/03/2019]**

In Maths, we have been learning to:

During this week, we have been working on Geometry. Perimeters, areas and volumes of rectangles and squares have been our priorities. The children are enjoying this topic because we are going out to the playground to check our abilities.

In English, we have been learning to:

In English, we have been looking at improving our writing skills using conjunctions and fronted adverbials. Students have been working on a book "Charlie Small".

Important Messages & Diary Dates:

PE has been moved to Thursdays and will alternate between morning and afternoons. We may be adding a second PE lesson throughout the week. When this has been confirmed we will let you know the date.

This week students have really been pushing hard to learn more and become more active in the classroom. We are beginning to push harder to ensure we are getting the best work from each and every student.

On the 3rd of April we will be doing our WOW day. We invite the parents to come between 10:30 am to 12:15 pm.

Our topic this week has been:

Writing a diary about the life of a captain on a boat traveling to India.

This week's homework is:

This week the homework is going to be about Math. As we are becoming experts on measuring, we will have to be able to measure our cupboard (Height, length and width). Then, they will be able to calculate the volume.
