

# Year 1 Communication Flyer

Mrs Easton Miss Pateman

WEEK ENDING: 05.04.19

## In Maths, we have been learning to:

Use ten frames and part models. We have been looking at numbers e.g. 17 and thinking about how many tens and units there are in them. We have been using a variety of methods such as bead strings, dienes and cubes.

How many tens and units are there in these numbers:

18, 27, 36, 49, 86, 100

## In English, we have been learning to:

Write a recount of the banquet. We have been thinking about questions that start with who, when, why, which etc. E.g. who came to the banquet, what was your favourite part, when was the banquet etc. We then wrote a sequence of sentences putting all the information together.

Can you write any more at home?

## Important Messages & Diary Dates:

**Every Thursday from now on we will be inviting parents to take part in a fun phonics/reading workshop from 2.45. You will be given an opportunity to play fun phonics games with your child, please come along if you can!**

We hope you have a fantastic Easter and a relaxing break, we look forward to seeing you all in the summer term. Please keep reading and practising spellings as much as you can throughout the Easter holidays.

Next terms topic will be space!

Return to school: Tuesday 23rd April

## Our topic this week has been:

‘Once upon a time’.

We have been looking at pictures from the banquet and writing a description of the food. E.g. the crisps were crunchy and delicious, the strawberries were sweet and juicy.

Can you think of any more at home?

## This week's homework is:

To complete phonics sheets which will be given out on Friday.
