

Year 5 Communication Flyer

Mr Coomber & Mr Amoros

WEEK ENDING: 05/04/2019

In Maths, we have been learning to:

In Maths, we have already finished with part of Geometry. We are becoming experts on measuring areas, volumes and perimeters.

After break, we will continue with Reflections and Translations.

In English, we have been learning to:

In English, we have been learning how to use fronted adverbials, conjunctions and prepositions. The pieces of writing are showing us that we are on fire.

Important Messages & Diary Dates:

The WOW day has received a very good feedback. We would like to thank you to all the parents who come to enjoy this they with us. They were very competitive.

We would like to wish you a happy Easter break. We want you to charge your batteries and be ready for another eventful term.

Return to School: Tuesday 23rd April

Our topic this week has been:

We have been focused on Anglo-Saxons, Vikings and Romans. During this week we have been working on buoyancy and displacement, for that reason, we have created our own plastic boats to test our knowledge.

This week's homework is:

For both classes:

- Maths: Worksheet with different activities from the whole term.
- English: Create a description of an invention using proper grammar.
