

# Year 1 Communication Flyer

Mrs Easton Miss Pateman

WEEK ENDING: 05.04.19

## In Maths, we have been learning to:

Use repeated addition practically and recording numbers. We have been using cubes to help us add the same two numbers together, then recording it.  
We have also started to use multiplication language e.g. times, groups of, lots of etc.  
We have been looking at how to record multiplication sums e.g.  $3 \times 2 = 6$ .

## Our topic this half term has been:

'Space'. We have been looking at timelines all about the events in space e.g. when the first man walked on the moon etc.  
Thank you for all the junk modelling, the children had a great afternoon building rockets!

## In English, we have been learning to:

Write a fact file about Murphy. This week we have been writing facts about Murphy as it is his birthday this week. We emailed Mrs Howley with lots of questions about Murphy e.g. where does he like to go for a walk? Who is his best friend etc? We remembered to use the correct punctuation when writing questions.

## This week's homework is:

Please continue to practise spellings on the sheet provided.

## Important Messages & Diary Dates:

**Every Thursday from now on we will be inviting parents to take part in a fun phonics/reading workshop from 2:45 pm. You will be given an opportunity to play fun phonics games with your child, please come along if you can!**

The phonics screening check is coming up week beginning 10<sup>th</sup> June. Please take 5 minutes a day to visit some of these websites to play some phonics games- focusing on phase 5.
