

Reception Communication Flyer

Miss Holton

WEEK ENDING: 07.06.19

In Maths, we have been learning to:

- Consolidate different ways of subtracting two numbers.
- Writing number sentences
- Using '-' and '=' symbols

Our topic this week has been:

Transport

We are beginning to make our Airport Role Play, the children have enjoyed helping make an aeroplane that they can pretend to fly on.

We have also pretended to fly on an aeroplane and next week we will focus on cars.

In English, we have been learning to:

- Different types of transport through non-fiction texts.
- The structure of a non-fiction book.
- Writing our own fact pages about transport

This week's homework is:

Subtraction

Complete the number sentences. Use objects around the house such as pieces of pasta or beads to help you work out the answers.
