

Year 4 Communication Flyer

Miss Martin Mr Martinez

WEEK ENDING: 07.06.19

In Maths we have been focussing on:

This week we have learnt about Roman numerals and Negative numbers.

The children have been enjoying learning about these in fun interactive ways, such as making games.

In English, we have been learning to:

Looking at reports and the skills needed to write them. The children have used note-taking techniques to gather information about The Romans and then use these facts to write a report.

We have been impressed with their handwriting and English skills.

Friday 21st June Sports Day

Monday 24th June Reserve Sports Day

Friday 28th June Inset Day

Monday 1st July Occasional Day

Wednesday 3rd July Fairlands Valley Park Trip

Friday 12th July WOW Day
9 am – 12 pm
Letter to follow

In Science, we have been looking at:

We have started to learn about The Romans and we looked at the timeline of when they tried to invade Britain. It took a few attempts and over a hundred years but The Romans kept trying.

This week's homework is:

Next week, we will start looking at angles and shape in Maths. We would like the children to investigate where they can see angles at home.

Write down 5 different angles you can see in your house, write whether you think they are a right angle, smaller than a right angle or larger than a right angle.
