

Year 2 Communication Flyer

Mr Gray Ms Elmhirst

WEEK ENDING: 14.6.19

In Maths, we have been learning to:

Use an efficient strategy to add and subtract numbers. We have focused on using column addition and subtraction.

In English, we have been learning to:

Yellow Class has been writing creative short stories about a trip to the beach. We have been challenged to write this story without using the word 'sand' and instead had to find a creative way to describe sand.

Red Class has had a visitor munching on the books! 'CCTV' caught the culprit eating books from the book corner. Students were able to write about this and make connections to the book "Booker Eating Boy".

Important Messages & Diary Dates:

Please don't forget to check Marvellous Me. We will be sending home messages and badges for the students as often as we can. Some of these messages may be about classroom news, but we will also be sending home notes of the amazing work the students have been doing. If you give a message a "Hi-5" it allows the class teacher to know that the note has been read and cheers your student on as well.

Next Friday June 21st will be Sports Day! We are really looking forward to having a day focused on athletics and having fun! Hopefully the weather cooperates, otherwise we have Monday June 24th as a back-up day

Our topic this week has been:

O'Canada. We are learning about the History of Canada and it's connections to the United Kingdom.

This week's homework is:

Reading

Please continue to read a little every day and support your children to learn their spellings.

We have sent home a homework pack for the rest of the term. Please complete the first activity with your child.

Thursday 20 th June	Official Opening of Early Years Garden
Friday 21 st June	Sports Day
Monday 24 th June	Reserve Sports Day
Friday 28 th June	Inset Day
Monday 1 st July	Inset Day
