

Year 6 Communication Flyer

Mr Hetherington Mr Barlow Mrs Nyakasikana

WEEK ENDING: 14.6.19

In Maths:

This week in Diamond class for maths, we have created pie charts for display as well as looking at different types of data such as discrete and continuous data. In jade class we have looked at algebra and began to tackle the very sophisticated calculation of the Nth degree.

In English, we have:

This week we have really tried to develop and consolidate our writing. We are looking at different genres and then producing well planned pieces of work such as non-chronological reports. We have been honing our editing skills by continuously up-leveilling our compositions.

Important Messages & Diary Dates:

Please make sure children have sun protection if the weather is very warm, and that they bring hats, water bottles and full PE kits with the correct footwear.

We are expecting to do our individual events late morning ant then the races in the afternoon. We will send out a communication next week with the exact details.

No excessive jewellery (bracelets / necklaces and only a plain watch) or big scrunchies/Jojo band should be worn in school.

A reminder about black shoes only and that if year 6 pupils continue to ride their bikes on the school grounds they will lose a break time and be banned from riding scooters and bikes on the premises. This is a big issue across the whole school!

Any children who missed the photo in year 6 will do it when the photographers are in next.

Fri 21 st June	Sports Day	Mon 1 st July	Inset Day
Mon 24 th June	Reserve Sports Day	Wed 24 th July	Finish at 2:15pm
Fri 28 th June	Inset Day		

In topic:

This week, we have had an opportunity to finish Rain Forests and start to look at Volcanos, which are part of our geological and science genre. We will look at the cause and devastation they can cause as well as some of the world's famous volcanos.

This week's homework is:

Reading, practising times tables and spellings on the computer sites as well as looking at Purple mash
