

Reception Communication Flyer

Miss Holton

WEEK ENDING: 21.06.19

In Maths, we have been learning to:

- Revisit 3d Shapes
- 3d shape bingo
- Describing shape properties
- Everyday shapes in environment

In English, we have been learning to:

- Making zoo maps
- Creating our own animal books
- Reading stories
- Phonics games

Important Messages & Diary Dates:

Please can the children bring their pack lunch for the trip in a carrier bag with their name on. If the children have opted for school lunch they may want an extra drink or snack.

We will be taking milk and school snack with us too.

Key Dates

Thursday 27 th June	School Trip
Friday 28 th June	Inset Day
Monday 1 st July	Occasional Day
Friday 5 th July	Summer Fayre
Wednesday 24 th July	Finish at 2:15pm

Our topic this week has been:

This week we are learning about animals in preparation for our school trip.

We have also made our own zoo maps and read lots of different stories about animals we would like to see.

This week's homework is:

School Trip (Thursday)

Discuss the expectations of the school trip with the children.

Discuss what a coach will be like and staying with the adults all day without wandering off.
