

Year 1 Communication Flyer

Mrs Easton Miss Pateman

WEEK ENDING: 21.06.19

In Maths, we have been learning:

Re-capping on number bonds, counting in 2's, 5's and 10's.

Our topic this half term has been:

'Changes'

This week we have been recording changes in our cress diary. We have discovered that the cress which grew the best was the one which was watered regularly and kept in the sun light. We also did observational drawings of the outside plants and labelled them using the correct key words.

In English, we have been learning to:

Describe the ladybird from our story 'the bad tempered ladybird'. We thought of lots of adjectives to describe the ladybird then thought of our own introduction.

This week's homework is:

To practice your spellings (provided on the sheet)

Important Messages & Diary Dates:

We will be letting you know of any WOW day dates very soon!

Thank you to everyone who came to the grand opening of our new outside area, the children have thoroughly enjoyed their new area and it was great sharing it all with you.

Friday 28th June

Inset Day

Monday 1st July

Inset Day

Thursday 4th July

Paradise Wildlife Park Trip

Friday 5th July

Summer Fayre

Wednesday 24th July

Finish at 2:15pm
