## Important Messages & Diary Dates:

Students will be practicing entering the school from their new entrance on Monday July 8th. Please arrive at the Year 3 playground. The whistle will be blown for students to line up at 8:45. Register will be taken in their new classroom and then they will travel to their Year 2 class for the day to resume as normal.

Please don’t forget to check Marvellous Me. We will be sending home messages and badges for the students as often as we can. Some of these messages may be about classroom news, but we will also be sending home notes of the amazing work the students have been doing. If you give a message a “Hi-5” it allows the class teacher to know that the note has been read and cheers your student on as well.
