Mr Hetherington Mr Barlow Mrs Nyakasikana

WEEK ENDING: 05.07.19

In Maths, we have been:

This week we have been using all our maths skills to make 'bug houses'. We needed to, carefully, measure the correct proportions before cutting the shapes out of balsa wood. We then glued the different shapes together to create a 'bug house' which we could Paint with bright colours.

In topic, we have been:

We have used all of our design and technology skills preparing for the summer fair and our production. Not only have we made wonderful things to sell at the fair, but also we have been designing and then drawing the backdrops for our end of year production.

In English, we have:

This week we have created a piece of work describing all the things and subjects we like at our school. We wrote a draft version first before writing the final draft. It was quite difficult because the classes had to really think about the things they have enjoyed over their years at Longmeadow.

This week's homework is:

Reading, practising times tables and spellings on the computer sites as well as looking at Purple mash.
