

Year 6 Communication Flyer

Mr Geer

Mrs Snelson

Mr Barlow

Mrs Nyakasikana

WEEK ENDING: 6th September 2019.

In Maths, we have been :

Organising our new books and discovering our new classrooms especially the working wall for maths. This will help us with our learning because we will be able to use the examples when we are attempting tricky calculations. We have also looked at and tried an old SATS paper to see what they are like. Everyone did very well.

In English, we have:

Looked at our new English books and have put plastic covers on them to make sure they last a long time. We have been discussing our English working walls to see where to look when we need help with a particular subject. We have also had a go at an old SATS paper. Everyone did well and some of us thought it really wasn't that bad and there was no need to be worried them.

Important Messages & Diary Dates:

Home learning:

To be sent home next week with the flyer and in paper form as well. It can be completed in any order and does not need to be done each week, especially if you have a busy weekend planned. It should all be completed by the end of the first half term.

Important messages:

Diamond & Ruby classes will need their PE kits on a Tuesday and **EVERYONE** will need their PE kits on a Friday.

Year 6 students have been given a pamphlet on secondary schools for 2020.

Key dates:

September 16th – Crucial Crew

December 5th – Victorian School visit in Hitchin (almost there but still awaiting final confirmation)

September 19th – Open parents evening for all parents (more details to follow)

In topic, we have been:

Looking at our new books and discussing what topics we will be doing. The Second World War is a very popular topic and one we will look at after Christmas. Our first topic will be the Victorians.

This week's home learning is:

Our homework structure has changed. Next week we will send home (via paper and attached to the Flyer) the home learning for the first half term. It does not need to be completed in order or every week as long as it is completed by the end of the half term. As and when it is completed, it can be brought it for display in the classroom.
