

Nursery Home Learning Menu Autumn Term 1

With your child you can 'dip into' any of the activities on the sheet. Your child can present their learning in any way they would like and bring in their pieces of work any time during the term to share with their class.

Get investigating: What is happening to all the leaves on the trees? What is happening to the weather? Do you need extra clothes now?

Get creating: After you have been on your Autumn hunt, make a collage with all the leaves, stones and conkers you find or Can you make a picture of your house and family?

Get mathematical:
How many stairs are in your house? How many steps does it take for you to walk across your garden? How many fingers, toes and eyes do you have?

Get reading:
You have a brand new Reading Record book. How many books can you put in there this half term?

Get visiting:
Will you go to visit your family members? Who did you visit? Can you record something you did at their house e.g. drawing, photograph etc

Get outdoors:
Go on a nature hunt. What do you see? What can you feel? What Autumn objects can you collect?

Get your fingers busy:
Can you get your coat on all by yourself? Can you get undressed and dressed on your own? Can you try those tricky buttons?
