

# Year 5/6 Communication Flyer

Mr Geer

Mrs Snelson

Mr Barlow

Mrs Nyakasikana

WEEK ENDING: 20<sup>th</sup> September 2019.

## Maths

Children practiced identification of place values. They have been tasked with exploring and identifying small and large numbers, including those with decimal places. They have also deconstructed large numbers down to discover how they are made.

## English

Children have started to read our new book, "The World in Johnny's Back Garden." They looked at the front cover and made exciting predictions about the story. They also have started to describe our book's main protagonist – Johnny.

## Important Messages & Diary

### Dates:

#### **PE:**

Please ensure that your child has their PE kit in school for Tuesdays and Fridays. If they are unable to do PE, then please provide a written note.

#### **Healthy Lunches:**

Please remember that Longmeadow now follows a healthy lunchbox rule. If you are unsure as to what your child is allowed to eat, then contact their teacher.

#### **Reminders:**

Flu Letters have been handed out, please return ASAP.

Photo Permission Letters must be handed back in urgently.

There will be an additional Open Evening in October for any student who missed this opportunity on September 19<sup>th</sup>.

December - Longmeadow school to attend a Pantomime. Date to be advised.

## Topic

Children have started to identify dates and events from the Victorian period. They have also created a timeline from 1837 to 1901. They have found some important dates such as when the first post box was built, when Oliver Twist was first published and the final of the first FA cup.

## Science

In Science children have been looking at inheritance. They have been trying to identify where certain features have been passed down from – Mum or Dad? They also know that inheritance can occur in plants and animals.
