

Year One Weekly Communication Flyer

Miss Pateman

WEEK ENDING: 27th September 2019

In Maths we have been learning to:

use these symbols correctly = + -

We have been using resources to try and complete number sentences independently such as

$$8 + 2 =$$

$$10 - 6 =$$

We have also been practising our doubles and counting in 5's in CLIC maths.

In English we have been learning to:

Use adjectives and write simple sentences. For the next two weeks we will be looking at the story 'where's my teddy'. We have been looking at bears and describing them coming up with fantastic adjectives. We then have tried to write our own sentences about them, remembering our finger spaces, capital letters and full stops.

This week's homework is:

Please see the attached homework sheet. Our new homework policy is a 'dip and do' approach, this is where you can choose any of the activities in your own time. Please bring in your homework so we can display it in the classroom.

I am looking forward to seeing your creative ideas.

Important Messages:

If anyone has any spare cardboard boxes at home eg cereal boxes, egg boxes, kitchen rolls etc please could you bring them in as we will be needing them for our WOW days.

Please could you write names on all clothing as lots of jumpers have gone missing and there are no names.

If anyone needs to speak to me at the end of the day please catch me after I dismiss all of the children, thank you.
