

# Year Two Weekly Communication Flyer

Mr Clarke and Mrs Riley

**WEEK ENDING: 4<sup>th</sup> October 2019**

### In English this week:

We have been looking at the 'Eating machine.' We discovered that the Eating machine is an explanation text based on the digestive system. We learnt the order of what happens by acting it out and created phrases that we could use.

### In Maths this week:

We have been busy this week continuing to learn about place value. We have been focusing on the Tens and Ones and exploring how we can regroup the numbers using base 10. We then started to explore how we can count on in tens from any given number.

### Our topic this half term is:

'Heathly Humans.'

This week we have been exploring how exercise helps our bodies. We have been exploring different exercises we can do and created some challenges for outside.

### New homework policy:

Please see the attached sheet regarding homework which explains the 'dip and do' activities. The homework will be displayed in the classroom. I can not wait to see your creative ideas.

If you have any questions about it please ask Mr Clarke and Mrs Riley

### Important Messages:

This week both classes this week have impressed us with the Homework. We can't wait to see what gets brought in this week.

### Key Dates

Thursday 10<sup>th</sup> October - Mental health- Wear something yellow.
