

Reception Weekly Communication Flyer

Miss Oldfield

WEEK ENDING: 18/10/2019

In Expressive Arts and Design, we have been learning that:

When you mix two colours together, it creates a new colour.

We found out that

Red + Blue = Purple

Blue + Yellow = Green

Red + yellow = Orange

We have also been learning to:

Respect our indoor and outdoor classroom.

We have focused on our snack area this week. We have learnt the correct routine, how to use the tools safely and the importance of washing our hands.

Key Dates:

23rd Oct 2-3pm - Nursery/Reception Teddy bears picnic. Children need to come in wearing uniform and please remember to bring a teddy bear!

Fri 29th Nov - Christmas fayre

5th Dec - School Panto trip. Please remember to pay for this on the gateway app.

Our Topic:

We have had lots of fun in the dinosaur area this week. We have been freeing our toy dinosaurs from the elastic band tangle they managed to get themselves in to. We have been taking it in turns and counting how many bands we can get off in just 1 minute.
