

Year One Weekly Communication Flyer

Miss Pateman

WEEK ENDING: 25th October 2019

In Maths we have been learning to:

Order values and consecutive numbers. We have been looking at a variety of numbers and values using different manipulatives such as dominoes, tens frames and bead strings.

We have been developing our maths language and have been trying to explain our thinking.

In English we have been learning to:

All about poems. This week we have been exploring a senses poem, reading it as a class and choosing our favourite lines. We then took part in a sensory activity where we went round to the different tables and tried to use adjectives to describe the objects. At the end of the week we wrote our own poems.

Important Messages:

Well done to all the children for settling into Pink class so well. The children have all quickly learnt the new routines and timetables and are all making great progress already!

Enjoy the half term and we look forward to seeing you back to school very soon!

'Winter Wonderland'
6th December 2019
8.45-9.15am

Please sign on gateway if you would like to attend either one of these.

Our topic this half term is:

'Places to play' this week we have been mixing primary colours to create places to play images using our skills. We have also been using maps of the school and finding different locations in our school using directional and positional language.

Our new topic after half term will be 'Seasons'.

This week's homework is:

Thank you to all the parents who have helped create some fantastic homework. The children have loved presenting their work and are very proud seeing their homework on display.

The new homework sheet will be given out after half term.
