

Year Two Weekly Communication Flyer

Mr Clarke and Mrs Riley

WEEK ENDING: 25th October 2019

In English this week:

We have been learning about a variety of poetry including shape poems and poems which use rhyming couplets. We have also worked hard to learn poems off by heart in order to deliver them effectively to the class.

In Maths this week:

We have been learning about how we can use mental strategies to add single digit numbers effectively. Focusing on number bonds and looking for patterns when we add numbers.
e.g $10 + 5 = 15$
 $9 + 6 = 15$
 $8 + 7 = 15... etc.$

Our topic this half term is:

'Heathy Humans.'

This week we've had our WOW day where we learned about how to care for our teeth. We have also been learning about the life of Florence Nightingale and how she was vital to modern medicine.

New homework policy:

Thank you for all the amazing homework the children have brought in this half term. After half term we will be sending out a new homework poster about 'Mighty Materials'.

If you have any questions about it please ask Mr Clarke and Mrs Riley

Important Messages:

A big thank you to all the parents who were able to attend our WOW day this week. It was lovely to see you support the children in their learning.

Key Dates

Monday 28th - 1st November - Half term.
Friday 29th November - Christmas fair 3:15pm
