

# Year Two Weekly Communication Flyer

Mr Clarke and Mrs Riley

**WEEK ENDING: 8<sup>th</sup> November 2019**

### In English this week:

We have been learning about Calligram poems. We explored how we can write words using different handwriting, colours and shape. We then created a word bank of adjectives to use to help us write our poems.

### In Maths this week:

We have been learning about how we can use number facts to help us add numbers quickly. We then looked at how we can use number bonds to 10, 20 and 100 and explored their relationships. For example if we know  $7+3=10$  then  $70+30=100$  is easy! Finally, we have learned about how to use doubles and near doubles.

### Our topic this half term is:

*'Mighty materials'*

This week in Topic we have been exploring different materials. We explored the classroom to see if we could find all the different materials being used. We then looked at the objects and worked out their properties depending on what it was being used for.

### New homework policy:

Thank you for all the amazing homework the children brought in last half term. We are looking forward to seeing what they create this term.

If you have any questions about it please ask Mr Clarke and Mrs Riley

### Important Messages:

Welcome back. We hope you had a lovely half term. Children have been telling us all the exciting things they got up to. This week they have all worked really hard and seem ready for a new half term.

### Key Dates

Tuesday 26<sup>th</sup> November- Christmas Journey at the church- 1-3pm

Friday 29<sup>th</sup> November- Christmas fayre

### Reminders

Due to the weather children will only be allowed in the outside area in independent time if they have welly boots.

Please ensure reading records come in everyday.

PE will be on a Monday and Thursday so can all PE kits be in for these days please.
