

# Year One Weekly Communication Flyer

Miss Pateman

**WEEK ENDING: 8<sup>th</sup> November 2019**

**In Maths we have been learning to:**

Use language to express equivalent ways of making the same total. We have looked at groups of objects and been grouping them in a different way and looking how the total remains the same. We then wrote this into a number calculation e.g.  
 $5 + 3 = 4 + 4$

**In English we have been learning to:**

Compare fiction and non fiction texts. We have been exploring lots of non fiction texts and looking at their features such as: glossaries, indexes and contents pages. We have been using these books to find out facts about our new topic seasons. We have also visited the library and teamed up with our reading buddies from year 4.

**Our topic this half term is:**

'Seasons'. We have been busy creating props for our winter wonderland role play area. We have made snowflakes and winter pictures to decorate. We have also started to practice our song for the Christmas performance called 'The Bossy King'.

**This week's homework is:**

Please choose any activity each week to complete from the 'dip and do' homework sheet. The homework sheet is related to our new topic 'seasons.'
