

Nursery/Reception Home Learning Menu Autumn Term 2

With your child you can 'dip into' any of the activities on the sheet. Your child can present their learning in any way they would like and bring in their pieces of work any time during the half term to share with their class.

Get investigating: It is getting very cold. Can you look at the frost on the leaves and grass? Are there any icy patches? What does it feel like?

Get creating:

Can you use your scissor skills to cut and make snowflakes? 

Get reading:

Can you listen to your story that your parents have read with you? Afterwards, can you retell the story back to them?

Get visiting:

Are you beginning to notice some winter festival decorations around? What colours can you see in the shops? Talk about how you as a family celebrate this wonderful time of year.

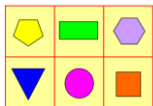

Get outdoors:

Can you take some photos of the frost and ice that you see. How do we dress for winter? You could take a picture of you dressed in your coat, scarves, bobbles hats and scarves. Is this different to summer?

Get mathematical:

Go on a shape hunt. Can you find real objects that are in the shape of: triangles, circles, squares and rectangles?

Get your fingers busy:

Can you thread pasta on string to make a necklace or bracelet?
