WEEK ENDING: 15.11.19

## In Maths, we have been:

Column addition to three place values. We have been looking into the need to regroup and exchange as we go. We have discovered that presentation is vital so that we do not confuse ourselves during the process.

## In English, we have been learning:

About poetry writing. We have been able to identify the key features of a piece of free verse and then use our discoveries to create our own wonderful examples. The children used repetition for rhythm as well as alliteration for effect.
