

Year 4 Communication Flyer

Mrs Badesha Mrs Britton Mr Amoros

WEEK ENDING: 15.11.2019

In Maths, we have been learning

to:

Convert units of measure. We converted length: focusing on centimetres, millimetres and metres. We also looked at capacity and time!

In English, we have been:

Reading and solving riddles. We then went on to writing our own riddles about an animal of our choice. Ask your child about their riddle and what makes a good one!

Important Messages & Diary

Dates:

*Remember every Tuesday is parent read- 8.45-9.05
PE- please can all children have indoor and outdoor PE kits in school Monday-Friday.*

Our topic this half term has been:

Looking at longitude and latitude lines. We have also looked at climates across the world.

A new Home Learning Menu will be given after Half Term linked to our new topic of 'Amazing Animals'.

Spelling Shed and Times Table Rock Star are set up and ready to go.
