

Year One Weekly Communication Flyer

Miss Pateman

WEEK ENDING: 29th November 2019

In Maths we have been learning to:

Recognise and sort odd and even numbers. We have been noticing lots of patterns in the numbers and have been recording it.
We have been practicing saying- 2 is even because it **can** be shared into two equal groups.
3 is odd because it **can't** be shared into two equal groups.

Our topic this half term is:

'Seasons'. This week we have been working on building our own role play area in our classroom, so far we have created seasons plates, snowflakes and a joint collage of reindeers and snowmen.

We have also been very busy practising our new dances for our Christmas play 'The Bossy King'. Can you practice your dance moves at home?

In English we have been learning to:

Record sentences with our new story 'Owl babies'. We have been thoroughly enjoying our new story and have been reading parts of it in the secret garden. We then received a letter from one of the owls- Bill and replied to him by writing a letter back to him. We have also ordered the story and thought about the owls feelings and come up with super adjectives to describe the characters.

This week's homework is:

Please choose any activity each week to complete from the 'dip and do' homework sheet. The homework sheet is related to our new topic 'seasons.'

Important Messages:

Letters have gone out regarding Christmas parts. Please don't feel you have to buy costumes etc the letter is just asking for your child to wear coloured clothing- depending on the role he/she has been given. If there are any questions- please ask.

Saturday 30th November

School choir performing at Stevenage light switch
