

# Year One Weekly Communication Flyer

Miss Pateman

**WEEK ENDING: 6<sup>th</sup> December 2019**

**In Maths we have been learning to:**

recognise and identify 2d and 3d shapes. We discussed language which was- angle, curved, straight, vertex, pointed, edge, corners, shape line etc. We also went on a real life shape hunt in and around the classroom searching for 3d shapes in the environment- spotting cubes, cuboids, pyramids, spheres etc.

**In English we have been learning to:**

Make our own story map from the story 'owl babies'. We have thought about the characters in the story and have recorded the structure of the story- beginning, middle and end. We then independently wrote amazing stories remembering our punctuation. Next week we will be doing lots of writing from our new elf in class- Sparkles (named by the children)

**Our topic this half term is:**

'Seasons'. This week we have been busy baking gingerbread biscuits for our WOW day. We thought about the ingredients we would need and weighed out the quantities. We also have been practising our performance on the stage for the first time which we were excited about.

**This week's homework is:**

Please choose any activity each week to complete from the 'dip and do' homework sheet. The homework sheet is related to our new topic 'seasons.'

**Important Messages:**

Please can all costumes for the play come into school by Friday the 6<sup>th</sup> December (in a named plastic bag)

Thank you.

Christmas performances:  
The Bossy King  
12<sup>th</sup> December 2019
