

Year 5/6 Communication Flyer

Mr Geer

Mrs Snelson

Mr Barlow

Mrs Nyakasikana

WEEK ENDING: 20th December 2019.

Maths

We have been improving our division skills. We have been looking at sharing equally as well as learning efficient written methods such as long and short division.

We have also been learning about fractions. Finding fractions of amounts as well as adding and subtracting fractions.

Additionally we have been discussing our test papers from last week to help us improve our subject knowledge and test technique.

English

In English we have been practicing our spelling pattern and exploring poetry.

Additionally we have been discussing our test papers from last week to help us improve our subject knowledge and test technique.

Important Messages & Diary

Dates:

Home learning:

Thank you for some truly fantastic homework projects. The children seem to have thoroughly enjoyed researching, making fairground rides and making some spectacular cakes!

The home work for the new Spring term will come home when we return after Christmas.

Reminders:

Monday 6th January - Inset day
Tuesday 7th January - Children return

Thank you for all your support this term. The children have worked incredibly hard and should be very proud of all they have achieved.

Enjoy the rest and Merry Christmas!

Topic

We have looked at the British Empire and how it changed over time. We have also learnt about the Industrial Revolution. We discovered the six factors that caused the revolution and what the revolution meant for Britain.

Science/DT

We have spent more time discussing the inventions of the Industrial Revolution, as well as how its innovations have benefited us even today.
