

Year 1 Home Learning Menu Spring term 1

With your child you can 'dip into' any of the activities on the sheet. Your child can present their learning in any way they would like and bring in their pieces of work any time during the half term to share with their class.

Get computing:

Can you use the internet to research all about our Queen Can you record some facts about her? Where does she live? What is her name?

Get making: Can you make your very own castle? Try and use some creative materials to make your very own 3D castle, you could even design and add our own flag.

Get visiting:

Can you visit your local library and find out how many stories start with 'Once upon a time'? You could take a photo of all the stories you find? You could bring some into school to show us your favourite one.

Get baking: Can you make your very own Gingerbread biscuits? Can you measure out the ingredients correctly? Can you record the recipe and share with your friends?

Dip and Do
"Once upon a time". Spring 1

Get researching:

Can you find out about castles? Can you research the features of a castle? Can you find out about jobs around the castle? How did the kings and queens protect their castle?

Get investigating: Can you investigate what material would be best for Little Red Riding hoods coat? Why would you use that material? Will it protect her from the big bad wolf? Can you design it?

Get writing:

Can you write our very own story starting with Once upon a time. Can you add some interesting characters and include a clear beginning, middle and an end?
