

Reception Weekly Communication Flyer

Mrs Maw

WEEK ENDING: 10/1/2020

In literacy, we have been looking at:

We have been looking at sentences and writing our own to describe what we can see in the photos that we took on our winter walk around school. Mrs Maw is making them into a book, ask me to show it to you next time you are in the classroom.

We have also been learning to:

Use the craft area. Miss Goddard has been teaching us to make our own paint and Mrs Maw has been helping us to develop our scissor skills. Keep an eye out for all of our creations with our new found skills.

Reminders.

PE Tuesdays are our PE day, Please can all children have their kit in school on this day. They can be left on children's pegs so that you do not need to remember them each week.

Reading books- the children take part in independent reading and guided reading each week as well as reading to adults. Please can children have their reading books and journals in school every day please.

Our Topic:

Our topic this half term is winter. The children have asked to learn about why some trees have no leaves and some still have green ones and why squirrels need lots of nuts in the winter. We will also be exploring ice and taking part in the RSPB's school big bird watch.
