RE: Nursery Shared Reading

Dear Parents and Carers

We have a shared reading sessions every Friday where we invite parents/carers into their child's classroom to enjoy reading with them.

This is a great opportunity for parents to see their child's setting, have a look through their learning journal and share reading books with their child.

This year we have opened this up to Nursery/Reception parents and would love for you to join us for these sessions. Both AM & PM parents are invited and for those children who stay all day, their parents can choose which session they'd like to attend.

Nursery/Reception (Blue class) AM	Friday mornings 8.50am-9.05am
Nursery/Reception (Blue class) PM	Friday afternoons 12.20pm-12.35pm

Shared reading sessions will commence on 17th January 2020 and you will need to register your attendance on gateway by 6pm the day before.

I look forward to seeing you there.

Kind Regards,

Miss E Griffiths
