

# Year One Weekly Communication Flyer

Miss Pateman

**WEEK ENDING: 17<sup>th</sup> January 2020**

**In Maths we have been learning to:**

Sequence events in chronological order. We have been sequencing days and months in the correct order. We made up and sang songs to help us remember the specific sequences. We used lots of language such as next, after, before, later on etc. With this language we recorded our daily timetable and discussed these in lots of detail.

**Our topic this half term is:**

'Once upon a time'.  
Our new role play is up and ready for us to explore. We have been working together to build a castle by using a variety of prints and cutting out cardboard for the castle turrets. We have also been learning about castles and labelling our own designs. We have also recorded facts about the castles.

**In English we have been learning to:**

Write a chronological report. This week we have been working really hard to write a report all about the Goldilocks scene that we saw last week. We have created our own reports with an introduction, sub headings, captions and a creative catchy title. At the end of the week we tried really hard to edit our reports trying to add excellent vocabulary.

**This week's homework is:**

Please see the new homework sheet for our new topic 'Once upon a time'. We had some fantastic imaginative pieces last year which is on display in the classroom.

**Important Messages:**

Please can all children have a pair of wellies which can stay in school. If children want to access the digging area during independent learning time they will need their own wellies.

Reminder- please can you make sure your child is bringing in their school reading book so it can be changed at school- Thank you.
