

Reception Weekly Communication Flyer

Mrs Maw

WEEK ENDING: 24/1/2020

In phonics, we have been looking at:

The sounds ch, and sh and the tricky word she. We have been practising reading words with these sounds in and spelling words with these sounds in.

We have also been learning to:
Record our findings. We went out into the garden to count how many of different types of birds that we could see as part of the RSPB's Big School Bird Watch. We really enjoyed learning about the different birds and then looking for them.

Reminders.

PE Tuesdays are our PE day, please can all children have their kit in school on this day. They can be left on children's pegs so that you do not need to remember them each week.

Reading books- the children take part in independent reading and guided reading each week as well as reading one to one with adults. Please can children have their reading books and journals in school every day.

Our Topic:

Our topic this half term is winter. We have been exploring polar animals and using the loose parts to recreate Snow Bears Den from the story Snow Bears Surprise. We really enjoy using the loose parts in all areas of our learning.
