

Year Two Weekly Communication Flyer

Mr Clarke and Mrs Riley

WEEK ENDING: 7th January 2020

In English this week

This week we have been learning about instructions! We have used imperative verbs (bossy verbs) and contractions such as don't. We have thought about fire safety and role played making a 999 phone call. Finally we used this to help us write our own instructions on how to make the call.

Topic:

In our topic lesson this week we have learned about the different types of evidence left behind to help us learn about history. We have thought about the advantages/disadvantages of writing, paintings and artefacts left behind and what they tell us.

In Maths this week:

In maths this week the children have been learning how to subtract two digit numbers from one another. At first we did this practically using Base 10 and used equations where we didn't need to regroup the tens such as $45 - 31 =$

Then we moved on to harder calculations where we needed to 'regroup' or 'exchange' for example $32 \text{ } \underline{-} \text{ } 26 =$

Homework policy:

We have a new homework dip and do' activity map based on 'The Great Fire of London'

We look forward to seeing all of the wonderful work the children are doing at home.

Important Messages:

In Year 2 we always like to finish our school day with 'drop and read' time when we hear children read in class and write in their Reading Journals. Can you please ensure the children bring these in daily.

Key Dates

Thursday 13th February - Great Fire of London
Wow Day

Reminders

- Remember to sign up to parent reading to join us on Fridays.
- Please can you check your child's hair for headlice and treat if necessary as this will prevent other children in the classroom catching them.
