

Year Two Weekly Communication Flyer

Mr Clarke and Mrs Riley

WEEK ENDING: 6th February 2020

In English this week:

This week we have been basing our work around the book '15 things not to do with a puppy.' We have explored what commands are and created our own based on a topic we picked. We then looked at how we could use contractions to write

commands.

In Maths this week:

In maths this week the children have been exploring if addition calculations can be commutative. We found out that this means we can add the numbers anyway and we get the same answer.

$$\text{Eg } 2+2+6=10$$

$$6+2+2=10$$

$$2+6+2=10$$

Important Messages:
